

Serie di apparecchi ad incasso fissi ed orientabili sui due assi, disponibili in due dimensioni, finalizzati all'uso di lampade agli ioduri metallici da 35W, 70W e 150W.

La serie technical, grazie alle alte prestazioni illuminotecniche che la contraddistinguono, trova ideale collocazione in molteplici ambienti quali sale espositive, vetrine, spazi commerciali e show room. Composti da un corpo in alluminio pressofuso, parabola in alluminio superpuro 99,9% ossidato e brillantato e schermo di protezione in pyrex serigrafato. Completati di gruppo di alimentazione elettromeccanico con condensatore di rifasamento ed accenditore temporizzato.

This range of recessed lamps which can be directed on two axis is available in two sizes and is to be used with iodide metallic bulbs (35W, 70W or 150W).

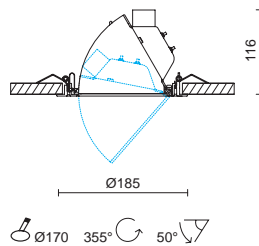

The technical series, thanks to its high lighting performance, can be used in a variety of ambiances including expo spaces, show windows, commercial areas and show rooms. These lamps are comprised of a body in die-cast aluminum, a dish in super pure 99.8% aluminum which is oxidized and shined, and a serigraph glass screen protection in Pyrex. An electro-mechanical power group completes the device with a power factor correction and a timer.
